 Web Dashboa 	ard
Username:	admin
Password:	password

0	Console Access	
	Username:	admin
	Password:	password

Change Web Credentials

Connect your browser to the IP address or to the previously assigned machine name. Carry out the following steps:

- $\circ\,$ Login with the default credentials
- $\circ\,$ Click on System, and therefore, User Management
- $\circ\,$ Edit the user admin
- $\circ\,$ Change the password for admin
- $\circ\,$ Click on the save when done.
- \circ Click Logout

It will be necessary to login again with new credentials.
