

Email Continuity

Libraesva ESG, from version 4.7, has a complete mail continuity feature.

You can access this feature from the message details.

LIBRAESVA EMAIL SECURITY

Home Reports Lists Quarantine User Settings

Last 30 ACCEPTED Messages (Refreshing every 120 sec.)

	Date	Time	Sender	Recipient	Subject	Score	Status
 	31-01-2020	09:47:07				-1.67	Clean
 	30-01-2020	17:06:50				-3.35	Clean
 	30-01-2020	16:47:06				-1.86	Clean
 	30-01-2020	16:44:30				0.00	Whitelist
